

Welcome Class

WHAT IS JUNIOR ADVISEMENT?

Junior Advisement aims to help you plan for senior year and ensure you have all your Georgia high school graduation requirements.

There are four parts:

- 1. PowerPoint Presentation** – to provide you with further information about post-secondary options after graduating high school
- 2. Bridge Bill Survey** – the state of Georgia requires all juniors to complete this survey in Naviance
- 3. Individual Graduation Plan (IGP)** – allows students to view and plan out courses for senior year to meet academic and career goals. Parents/Guardians may view this plan on ParentVue >>student info>>update student info>>graduation plan
- 4. Check out with a school counselor** – once you've completed the Bridge Bill and IGP, you will check out with any available school counselor in the media center's side rooms. You will follow signs for check out.

A screenshot of a web form for a graduation plan. At the top, there is a section labeled 'General Notes:' followed by a large empty text box. Below this, there is a row of four checkboxes: 'plan to complete a pathway in:'. The first checkbox is checked and is circled in red. The other three checkboxes are unchecked. Below this row is another checkbox labeled 'This Graduation Plan has been updated for this school year.', which is also unchecked. At the bottom right of the form is a 'Save' button. Two red arrows are overlaid on the image: one points to the checked 'Advanced Academics' checkbox, and the other points to the 'Save' button.

Be sure to indicate at least one of four areas you plan to complete a pathway in.

Check with a Counselor to ensure you are complete, then check the box (see red arrow) and click "Save" (see red arrow).
